

MOSAICO®
DECORAZIONI MURALI

B **OISERIE**

Expressiveness and material vibrations define a unique and original project that finds balance in a composition that combines expressive vigor and decorative variety.

Each panel's size is 50cmx50cm (thickness 30 mm) and can be easily installed on any surface.

The paper nature of combined materials reduces noises in the rooms, can be provided with fire-retardant finishes for being used in any ambient. it is proposed with geometric texture, can be customized on request with any subject.

Espressività e vibrazioni materiche definiscono un progetto unico ed originale che trova equilibrio in una composizione che fonde vigore espressivo e molteplicità decorative.

Ogni pannello dalle dimensioni di 50 x 50 cm (spessore 30 mm) si installa su ogni superficie con estrema facilità.

La natura cartacea dei materiali combinati permette di abbattere i rumori all'interno degli ambienti, può essere fornito con finitura ignifuga per essere utilizzato in ogni ambiente. Proposto in texture geometriche, può essere personalizzato a richiesta con ogni soggetto.

MONTAGGIO FAI DA TE

1 Rimuovere il biadesivo dietro il pannello, applica la colla siliconica come in figura.

Remove the double-side tape from behind the panel, put on the glue and then apply the silicone as shown in figure

2 Segna sul muro una linea dritta dove partirà il tuo disegno e comincia a posare.

Mark a straight line on the wall where your drawing will start and then begin to install the panels.

3 Segui lo schema grafico fornito nel pacco per l'installazione di tutti i pannelli.

Follow the graphic pattern provided in the package for the installation of all panels
